

Restoration Complete for Lahaina Shores Beach Resort

Lahaina, Maui -- Restoration is now complete at Lahaina Shores Beach Resort, one of Lahaina's most distinctive landmarks and the town's only oceanfront condominium vacation rental. Return guests and local fans of the classic plantation architecture will be reassured to see that the façade, wooden railings, and signature colonnade were carefully restored in the original style. The classic old-Hawaii feeling of this revered property contributes to the unique ambiance of historic Lahaina town. The twelve-month project also included lanai improvements.

"Since our guests love to spend time on their lanais enjoying the views, we also upgraded the lanais with warm beige ceramic tile floor treatments and new lanai furniture," explained Fred Mayo, general manager.

A choice of studio, one-bedroom, and penthouse apartments with views of the dramatic West Maui mountains or the breathtaking ocean front appeal to a wide variety of travelers. Couples, seniors, and singles traveling together all love that everything is within an easy stroll to ocean excursions and all the excitement of Lahaina's daytime activities and nightlife. Dining and shopping range from bargain to world-class but are always uniquely Maui! Adjacent to the property is the Shops at 505 Front Street with oceanfront restaurants, trendy boutiques, galleries, and sundry shops.
